March Monthly Report (2/1/99-2/28/99)

Dear Mr. Evans:

This letter is in response to a request for additional information dated 11/3/99 and is filed by November 18, 1999 (within the 15-day response period allowed by the Federal Election Commission).

- A) The National Republican Senatorial Committee(NRSC) takes the following steps to ensure compliance with 11 CFR§104.7, the Commission's "Best Efforts" regulations. All solicitations to prospective donors include the following statement:

"Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year."

If the individual fails to respond to the initial request and the donor's information is not in our internal records, the NRSC will send a follow-up letter (without an additional solicitation) requesting the same information. The letter includes a pre-addressed, stamped envelope and contains the following statement:

"Federal law requires that we obtain the attached information regarding your occupation and employment. Please complete the attached form and return it to us as soon as possible in the enclosed envelope."

As we have done for the past four years, the Committee will continue to provide the Commission with new contributor information we receive by filing amended memo Schedule As in a timely manner with our next regularly scheduled report.

- B) Please find enclosed amended Schedule H2. Event A9EC was mistakenly marked as previously reported when in fact it was a new event.
- C) Please find enclosed amended Schedule H2. Events A8RT, A8TR, A8CF, and A8IC were noted as having ended on 1/31/98. This was a typographical error, the events actually ended on 1/31/99.
- D) The allocation ratio for A8RT, A8TR, A8CF, and A8IC were revised to reflect the actual ratio at the completion of the event on January 31, 1999. The dates for the revision (2/1/99) have been provided on the enclosed amended H2. There were no excessive transfers of non-federal funds and therefore additional transfers are not necessary.
- E) Due to the typographical error on the original H2 March Monthly report (please see item "C" above and enclosed amendment), it does appear as if transfers were received from the non-federal account past the 70-day time period. The amended H2 shows the correct year and that the transfers were made within the allowable time period. All transfers for shared activity made by the National Republican Senatorial Committee are made within the 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. Transfers for allocable activity made in February 1999 covered disbursements for January and February 1999.

Sincerely,

Beth Lydon
